**Kennedy collecting garbage along her road. Great job Kennedy!**

Friday May 1, 2020.

Happy Friday everyone!

Some people have asked how Chickaletta, Cluck, Nugget, Pamela, Penny and Waffles are all doing. They are amazing. They have grown bigger in the last 5 weeks since they came to our farm to live. Did you know that they need 17 hours of light a day in order to lay eggs? We now have a light in their coop that goes on at 4:30 in the morning and then it goes off at 9:30 at night. They really like the light. During the day, after they have laid their eggs, they spend most of it outside, pecking at dried leaves, straw and they love to eat carrots and apples. They are really happy hens!

**Did you know that...**

**Chickens will be less nervous if you walk backwards when entering the coop.**

Have a great weekend Kade, Maya, Regan, Reiley, Blake, Kennady, Kay, Wyatt, Alina, Gloria, Keimen, Taylor, Bentley, Parker, Summer, Parker, Emerick, Lucas, Jacob and Colton!

# Math, Math, Math! – You can use a calculator today!

Name: \_\_\_\_\_

Basic Division

Write the answer for each problem. Then, color according to the key at the bottom.

- |   |   |   |   |   |   |
|---|---|---|---|---|---|
|  Light Brown | 9 |  Green | 1 |  Brown  | 7 |
|  Orange      | 6 |  Blue  | 8 |  Yellow | 5 |
|  Dark Green  | 4 |  Red   | 2 |  White  | 3 |

If you use a calculator – First type the largest number first, then the division symbol. Next type in the smaller number followed by the equal sign. The next number will be your answer. If you can't print this sheet, do not worry. Do what you can.

## Board Game Friday:

Today, challenge a family member to a board game. I'd like to hear what game you played and what happened during your game. Have fun!

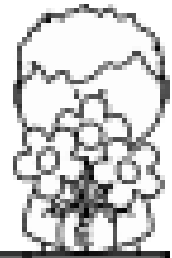

Have a “Fun Friday” everyone!
