Summer working on her spelling words.

Friday May 15, 2020.

**Monday is a holiday.
See you on Tuesday!**

Happy Friday Grade 2 Friends!

First I want to say, yesterday was awesome. I really loved seeing all you and hearing your voices on the computer. You were amazing and you all followed the google meet expectations. It really warmed my heart to hear about all your outdoor activities and all the things you have seen in nature. I look forward to our next class meeting.

What are you doing this weekend? This weekend we are going to plant our garden. I will tell you all about it on Tuesday and I will share photos. Be sure to take pictures this weekend of all the cool things you do. Have an amazing weekend Grade 2's with your family.
