Happy Friday Grade 2 Families!

Well, another week has come and gone. Can you believe that Monday will be the first day of June? I can't. There have been some days that have seemed very long, and yet the time has flown by very quickly.

This last week, Wyatt wrote about a cabbage casserole his mom makes. Thank you to Wyatt's family for sharing the cabbage, hamburger and rice casserole recipe with me yesterday. We enjoyed it for dinner last night. Your writing inspires me and I love reading all your writing responses grade 2 students.

I'd like to wish you an awesome weekend. The weather is going to be lovely again. Be sure to get outside, enjoy the sun and remember to wear sunscreen and a hat on the hot sunny days!

I miss you all every day!
Mrs. Haidner
