Happy Second Last Day of School!

Dear Grade 2's,

Today I am writing you this letter to let you know how proud I am of you! This past year has been a year we will never forget. I had the opportunity to return to New Lowell, what I call home, and grow and learn with you. I have watched you write, think, create, play, and most of all be kind to one another and watch your friendships flourish.

I believe and hope that we will all be able to return to school in September. I look forward to seeing you outside and in the halls at school. You are all going to grade 3 and I know you will do very well. For those who are moving from New Lowell this summer, I want to wish you well on your move. You will do amazing at your new school.

I know the last three months have been unusual and all we wanted was to be at school, but I want you to make sure you give your families a big hug and thank them for helping you at home with your school activities. Your parents and family members are amazing heroes. If I could wrap my arms around them and thank them, I would.

On a final note, have a wonderful summer friends. You deserve it.

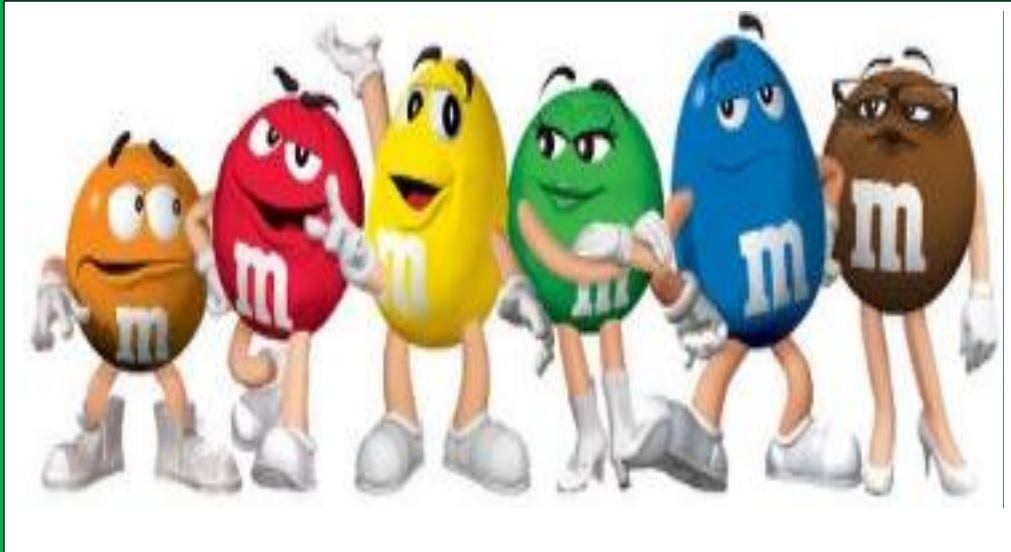

Mrs. Haidner, Jerome, and Pierre!

P.S. Remember to always believe in yourself and know I will always believe in you.
